

If you look at many PGA and LPGA tour pros today they tell stories of starting their love for the game. This was usually because of a parent taking them to the course or going to a summer golf camp when young. The game of golf allows kids to grow at their own pace and have many great memories in a game that can be played for life.

Adam Payne and Wedgewood Golfers club is excited to announce the 2018 summer junior golf camp schedule. This year's camps will allow you to pick from 4 different dates. In each camp we will have a wide range of players from those who have never swung a club to those who have started to play in competition. It doesn't matter if your child even has clubs, because we have that covered.

Our goal is to take a child who has never been on a course before and have them playing on the course by the end of the week. We will cover the fundamentals of the golf swing that includes grip, stance, sand shots, chipping, and putting. Along with learning the golf swing, we will learn rules and terms that many golfers use when playing. If you have any questions, feel free to contact Adam Payne at 901 485 2303 or by email at everyshotcountsnow@gmail.com. There is limited space per week and camps spots are typically sold out; so, it is a first come first served approach.

Dates: June 11th – 15th (All boys)

June 25th – 29th (All girls)

July 16th – 20th (Coed)

July 23rd – 27th (Coed)
